Brand systems carried all the way into live sites. Full case studies at portfolio.auraseoul.kr

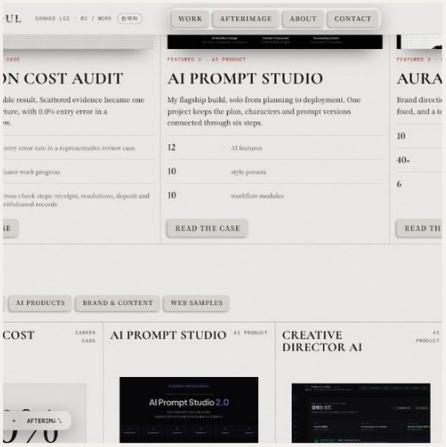

01

AURA SEOUL — Brand identity & 3D website

Wordmark, star symbol and a chrome visual language. On scroll, the logo turns into the symbol and a chrome serpent, one line of copy per scene, with a motion on/off toggle.

auraseoul.kr ↗

02

Portfolio Website

21 projects in one responsive work index, with an intro film and an AI-use note.
